OFA Fiscal Note

State Impact:

Agency Affected	Fund-Effect	FY 11 \$	FY 12 \$
Education, Dept.	GF - Savings	Potential	Potential
Legislative Mgmt.	GF - Cost	Minimal	Minimal

Note: GF=General Fund

Municipal Impact:

Municipalities	Effect	FY 11 \$	FY 12 \$
Various Municipalities	Revenue Loss	Potential	Potential

Explanation

Sections 3, 5 and 6 of the bill require the Commissioner of Education to submit a required report on: (1) the operations of charter schools and (2) the referral or diversion of children and teens from the juvenile justice and court systems, to the Education Committee every two years, instead of every year. This could result in a minimal savings to the State Department of Education of not having to submit the reports on an annual basis.

Section 4 requires that if a district spends their school breakfast grant for an unauthorized purpose, the district must pay the amount back to the state. This could result in potential revenue loss to municipalities and a potential savings to the state. The range of state school breakfast grants to municipalities (in FY 09) was approximately \$300 to over \$200,000. The entire amount issued to municipalities from SDE (in FY 09) was approximately \$1.6 million.

Section 7 establishes a postural screening taskforce. The bill permits members of the General Assembly to participate on the task force, and

requires the staff of the Education Committee to provide administrative assistance. The Office of Legislative Management would incur minimal costs associated with mileage reimbursement of 50 cents per mile for legislators participating on the task force.

Sections 1, 8, 9, 10, and 11 have no fiscal impact.

The Out Years

The annualized ongoing fiscal impact identified above would continue into the future subject to inflation, except for the costs associated with the postural screening task force which would terminate when the report is completed, or January 1, 2011 (whichever is later).

OLR Bill Analysis**sHB 5422*****AN ACT CONCERNING MINOR REVISIONS TO THE EDUCATION STATUTES.*****SUMMARY:**

This bill makes various changes in the education statutes. It:

1. gives school districts an extra month to notify nontenured teachers that their contracts for the following school year will not be renewed,
2. makes the education commissioner's reports to the legislature on charter school operations and diversion of children from the juvenile justice and court systems biennial instead of annual,
3. eliminates (a) a statutory deadline for filing expenditure reports from school districts participating in the school breakfast program and (b) the education commissioner's discretion over whether school districts who use their grants for unauthorized purposes must pay the grant back,
4. establishes a task force to investigate whether to eliminate required school postural screenings for students in grades five to nine,
5. requires the Head Start representative in the Early Childhood Cabinet to represent the Connecticut Head Start Association instead of any Head Start program,
6. establishes fixed terms for legislative and gubernatorial appointments to the cabinet, and
7. allows school superintendents or their designees to access the

state's public school information system to obtain mastery test information about individual students.

The bill also:

1. corrects a statutory reference (§ 1) and
2. eliminates "criminal attempt" (CGS § 53a-49) from the list of crimes requiring the State Board of Education to deny or revoke a teaching certificate or other educator credential (§§ 8 & 9).

In practice, a person is always convicted of another crime in addition to criminal attempt, so it is unnecessary to list such a conviction as separate grounds for denying or revoking an educator credential.

EFFECTIVE DATE: Upon passage unless otherwise noted below.

§ 2 — CONTRACT RENEWAL DEADLINE FOR NONTENURED TEACHERS

Under current law, a teacher who does not have tenure has his or her employment contract automatically renewed for the following school year unless the teacher receives written notice of termination by April 1 of the current year. The bill delays this notice deadline to May 1.

By law, a nontenured teacher may be terminated at any time for (1) inefficiency or incompetence, (2) insubordination against reasonable board of education rules, (3) moral misconduct, (4) disability as shown by competent medical evidence, (5) elimination of his or her position, or (6) other due and sufficient cause. Nontenured teachers may appeal a contract nonrenewal by filing a written request with the board of education within 20 days after receiving the notice.

EFFECTIVE DATE: July 1, 2010

§ 3 — CHARTER SCHOOL OPERATIONS REPORT

The bill requires the education commissioner to submit a required

report on the operations of charter schools to the Education Committee every two years, instead of every year. The biennial reports must start by January 1, 2011. By law, reports must at least (1) recommend any statutory changes to facilitate charter school expansion; (2) compile charter schools' strategic school profiles; and (3) assess of the adequacy of state charter school funding, and the adequacy and availability of suitable charter school facilities.

§ 4 — SCHOOL BREAKFAST GRANTS

The bill eliminates a statutory deadline for participating school districts to file expenditure statements for the school breakfast program. Under current law, districts must file the statements by September 1 of the fiscal year following the fiscal year in which the district participates in the program. The bill requires them to file the statements annually when and how the education commissioner prescribes.

If a district spends the grant for an unauthorized purpose, the bill requires the district to pay it back to the state. Under current law, the education commissioner has discretion over whether to require payback.

State school breakfast grants support local school breakfast programs in schools with severe needs.

§§ 5 & 6 — REPORTS ON YOUTH REFERRALS OR DIVERSION

By law, the education commissioner must report to the legislature on referral or diversion of children and older teens from the juvenile justice and court systems. The reports must provide statistics on the diversions and demographic information about the children. Until July 1, 2012, the reports must include information about 18-year-olds as well as those under age 18. On and after that date, the reports must include only those under age 18.

Beginning December 1, 2010, this bill makes the reports biennial instead of annual.

EFFECTIVE DATE: July 1, 2010 for the reports covering children and youth up to and including those aged 18; July 1, 2012 for the reports covering only those under age 18.

§ 7 — POSTURAL SCREENING TASK FORCE

The bill establishes a 16-member task force to (1) investigate the efficacy of statutorily required postural screenings for students in grades five to nine and (2) consider whether the requirements should be changed or eliminated.

The task force consists of the chairpersons and ranking members of the Education and Public Health committees and the public health and education commissioners or their designees and six members appointed by legislative leaders (see table).

<i>Appointed by</i>	<i>Qualifications</i>
House speaker	Association of School Nurses of Connecticut member
Senate president pro tempore	American Academy of Pediatrics member
House majority leader	School medical advisors' representative
Senate majority leader	Orthopedic physician
House minority leader	School nurse supervisors' representative

Task force appointments must be made within 30 days of the bill's passage. Vacancies are filled by appointing authorities. The task force members must appoint chairpersons (the bill refers to both a chairperson and chairpersons), who must call the first meeting within 60 days of the bill's passage. The Education Committee staff serves as the task force's administrative staff.

The task force must report its finding and recommendations to the Education and Public Health committees by January 1, 2011. It terminates on the date it submits its report or January 1, 2011, whichever is later.

§10 — EARLY CHILDHOOD CABINET APPOINTMENTS

The bill requires the Head Start Program representative who serves on the Early Childhood Cabinet to be the head of the Connecticut

Head Start Association rather than any representative of a Head Start program. By law, the Head Start representative is appointed by the House minority leader.

The bill also establishes two-year terms for the cabinet members appointed by legislative leaders and the governor. It specifies that those members' initial terms expire on March 1, 2011. The affected members are:

<i>Member</i>	<i>Appointed by</i>
Head Start program representative	House minority leader
Local provider of early childhood education representative	Senate minority leader
Member of the House of Representatives	House speaker
Parent of child attending school in a priority district	House speaker

EFFECTIVE DATE: July 1, 2010

§ 11 — ACCESS TO THE PUBLIC SCHOOL INFORMATION SYSTEM

The bill requires the education commissioner to allow a school superintendent or his or her designee access to information about statewide mastery exams in the state public school information system (PSIS). The access is only for determining examination dates and scores, and student achievement levels on the exams.

The law requires the State Department of Education to develop and maintain the PSIS to, among other things, track individual students' performance on the statewide mastery examinations by assigning each student a unique identifier. All public school districts and all preschool programs that receive state or federal funding must participate. The law requires the department to maintain confidentiality of individual student and staff data in the system.
